Machine / Spares

Water
Treatment

World Class products from International suppliers

Pneumatic Products

Control Panel Accessories

Hydraulic Products

**Stepper Motors / Drive
Motion Controller**

Sensors Proximity Sensors, Through Beam / Diffuse / Retro Reflective Photo Sensors, Light Curtain, Auto door Sensors, Fiber Optic Sensors, Incremental / Absolute Rotary Encoders, Digital Pressure Sensors, Temperature / Humidity Transmitters.

Controllers Counters, Timers, Temperature Controllers, Power Controllers, Tacho/Speed/Pulse/Rate Meters, Digital Panel Meters, SMPS, Display Units, Sensor Controllers, Serial Converter RS232/RS485, Device Net, HMI, Signal Converters, Recorders, Thyristors, Transmitters, Indicators.

Domestic | Commercial | Industrial

Safe Water for Better health... Better life

www.amrutfiltration.com

Industrial Water Treatment

R.O. / UV / UF filtration / D M Plant / Softner
Industrial Water Treatment / E.T.P. & CETP

Spares & Instruments

Housing, Membrane, Filter Cartridge, Pump

Water Treatment Chemical

For Boiler, Coolin Tower, R.O.Plant & Filtration Media

Innovative Products

Ultrasonic Algi Controller
Ozone Generator - Magnetic Water Conditioner

Our Technical Services

- ▶ Industrial Automation
- ▶ Process & Manufacturing Automation
- ▶ Energy Conservation & Management
- ▶ Customize Solutions
with flexibility & Realiability
- ▶ Engineering Solutions

Our Presence in Various Industries

Food & Beverages Industry

Chemical Industry

Textile Industry

Synthetic Yarn Industry

Pharma Industry

Boiler Feed Water

Electronics

Paper and Pulp Industry

Fisheries

Our Associates
